

AMERICAN PROFESSIONAL AGENCY, INC.
Program Administrator

Dear APA Member:

American Professional Agency, Inc., insuring psychologists for over 40 years has now been chosen to be the sole authorized and preferred provider to administer the new APA professional liability insurance program **which offers a 20% discount to APA members!**

As the largest writer of mental health professional liability in the United States, we are positioned to offer you great coverage, excellent customer service and very competitive rates.

In addition to the 20% APA membership discount we also offer many discounts and coverage features such as:

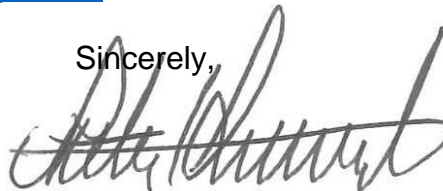

- Retroactive coverage is available eliminating the need to buy a “tail”
- Licensing Board defense coverage (up to \$150,000)
- Interest Free Quarterly payments
- 35% Part-time discount
- 35% New Graduate discount
- 10% New Policyholder discount
- Defense expenses are unlimited for claims
- Teletherapy Coverage
- Online application processing – for individual policies
- No surcharges for reporting claims.

Please look for upcoming mailings, advertisements and emails offering details of the new program highlighting all our discounts and coverage features. The new program has the ability to replace your current coverage negating the need to buy a tail from your current insurer. This eliminates potential gaps in coverage and makes the switch simple, seamless and cost effective.

We are pleased to partner with the American Psychological Association once again (we administered the APA malpractice program from 1976-1991) to bring these improvements and cost savings to you. We will be at the APA 2018 Convention in August, so please stop by to meet our underwriting team and risk managers in the exhibit hall and learn about the new APA professional liability program.

To learn more about the new program, please visit our web site at www.americanprofessional.com/psychologist-info or call us toll free at 800-421-6694.

Sincerely,

Peter T. Imbert
President
